Teach Your Children Thrift
with S&H GREEN STAMPS

Many families use S&H Green Stamps to help their children learn the all-important habit of saving. They use them as awards for doing chores around the home. For instance . . .

So many S&H Green Stamps each week to daughter for drying the dishes or helping clean house . . . so many to sonny for mowing the lawn or for other odd jobs. Many housewives tell us it's a wonderful way to accomplish the twofold purpose of rewarding youngsters for tasks well done and showing them how thrift pays.

Youngsters of every age from tots to teens love S&H Green Stamps because they can redeem them for a wide variety of quality items that are dear to children's hearts. Try this plan in your home. You'll be truly amazed to find how well it works.
